

BLUEPRINT FOR IMPROVING HEALTHCARE FOR AMERICAN FAMILIES

PROVIDES GREATER CHOICE & CONTROL

Places more dollars and control in your hands by establishing universal, portable medical savings accounts that can cover medical expenses tax-free.

PROTECTS YOUR FAMILY

Makes certain that Americans with pre-existing conditions can both afford and maintain access to their health insurance.

LOWERS HEALTH CARE COSTS

Increases competition among health care providers and drives down the cost of prescription drugs by allowing Medicare to negotiate prices.

ENSURES FINANCIAL SECURITY

Delivers financial support to lower out-of-pocket costs and makes sure that no American lives in fear of going bankrupt due to one bad diagnosis.
